

## CRIB SHEETS

Forget celebrity designers and thread counts, new bedding brand Feyre Home is all about classic designs and quality cotton. Melbourne couple Adam and Hilma Fitzgerald are behind the company, which is one of only a handful of Aussie brands that has the rights to Supima cotton. Grown in the US, Supima is 45 per cent stronger than regular cotton, is ethically sourced and manufactured, and offers fabric that's long lasting but beautiful to the touch. Get the range in sheets, duvets, quilted bedspreads and several bedding sets. RRP \$159.95-\$549.
